DID YOU KNOW the mayor does more than just representing the city at public events and acting as its voice with other levels of government. In Winnipeg, the Mayor picks which councillors will sit on the Executive Policy Committee (EPC). The EPC then only needs to convince one other councilor to vote with them to have a majority on any given issue.

Why Vote?

In the last election only 5/10 people voted. In some parts of inner city Winnipeg, less than 30% of potential voters exercised their rights. There were several wards where votes were very close for the top two candidates. For example;

Old Kildonan Ward	Votes	Difference
Top two candidates		
Devi Sharma (Elected)	5,944	212
Suzanne Hrynyk	5,732	

Every Vote Counts!

What is a Ward?

Ward refers to the place where you live or own property; they are often defined by their borders between neighbourhoods.

What Ward do you live in?

Winnipeg has 15 Wards:

- Charleswood - Tuxedo
- Daniel McIntyre
- Elmwood - East Kildonan
- Fort Rouge - East Fort Garry
- Mynarski
- North Kildonan
- Old Kildonan
- Point Douglas
- River Heights - Fort Garry
- St. Boniface
- St. James
- St. Norbert - Seine River
- St. Vital
- Transcona
- Waverley West

How do I mark the ballot?

The ballot will have three categories:

- 1) Mayoral Candidates
- 2) City Councillors Candidates (by your electoral ward)
- 3) School Trustees Candidates (by your school division ward)

Just fill in the circles beside the candidates of your choice with the pen they give you.

This year, at the bottom of the ballot you will see a question about opening up Portage and Main to foot traffic - please fill in either the YES or NO circle.

You do **not** have to vote in every category. You have the right to decide to vote for only a mayor or only the Councillor for your ward or only the school Trustees for your school division, if that is what you want to do. Just fill in the circle beside the candidate you want to vote for and you can leave the other categories empty.
