What is a riding?

Canada is divided into 338 ridings. Winnipeg has 8 ridings.

During an election, you vote for your local Member of Parliament to represent you and your riding in the House of Commons.

The political party that wins the most ridings usually forms the government. The leader of that party becomes the prime minister of Canada.

Why Vote?

In the last election only 68% of people voted. In some parts of inner city Winnipeg, less than half of potential voters used their right to vote. Your vote is your voice. If you don't vote, your voice, and the issues important to you will not be heard.

What if I am not Registered?

You can either register to vote ahead of time online or by calling Elections Canada: 1-800-463-6868 or you go to your polling location on Election Day with your ID and register and vote at the same time.
