How to be a delegate:

If you're new to delegations, they are the process of speaking in front of a Council members at City Hall. To speak as a delegate, you must contact the City Clerk before 4:30pm the day before the meeting. You need to specify the meeting and which agenda item you want to speak to. If it is a committee or Executive Policy Committee meeting, you will have a maximum of 10 minutes and councillors may ask questions. If it is the full Council, unless you are one of the first 4, you only get 5 minutes. There needs to be a special motion made by a councillor to allow this, but we are working on that. It is normal for these motions to pass.
